SUPPLEMENTARY INFORMATION:

Agenda

The Committee will consider recommendations from the Recreational Advisory Panel, discuss and develop recommendations to the Council on fishing year 2022 recreational measures for Gulf of Maine cod and Gulf of Maine haddock. They will also

receive an overview of the 2021 data and assessment prospects and management workshops. The Committee will receive an overview of progress to date on the Atlantic Cod Research Track Working Group. They will receive an overview of the Council's groundfish priorities for 2022. Other business will be discussed, if necessary.

Although non-emergency issues not contained on the agenda may come before this Council for discussion, those issues may not be the subject of formal action during this meeting. Council action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency. The public also should be aware that the meeting will be recorded. Consistent with 16 U.S.C. 1852, a copy of the recording is available upon request.

Special Accommodations

This meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to Thomas A. Nies, Executive Director, at (978) 465-0492, at least 5 days prior to the meeting date.

Authority: 16 U.S.C. 1801 *et seq.*
